

YOU BET WE CAN

50% Increased Efficiency
0% Risks

Our Power Automate Desktop Bet

Since the acquisition of Softomotive in 2020, Microsoft has turned its RPA offering into the most competitive one available. Therefore, we want to challenge you:

Every business process deserves to be optimized!

Automate

Streamline your data, automate mundane tasks to save time and reduce errors.

Integrate

Seamlessly integrate Power Automate and Power Automate Desktop with all! Your systems.

Govern

Best Practice governance & compliance services to secure & optimize implemented solutions.

Migrate

Rethink your RPA landscape & optimize your cost structure by migrating your legacy RPA.

Rethink

Our focus on Business Processes allows us to not just automate, but to redefine and improve your Business processes.

Hyperautomation

Utilize our skill in AI to enhance your workflow automation and decision-making capabilities.

Our bet for you

Based on our experience, we bet that we increase your Business process efficiency by at least 50%, reducing manual effort, saving time & valuable resources.

it's about transforming the way you work!

Still not convinced?

Regardless of the business process, regardless of the time:
At the end of our PoC, we guarantee you a **50%** reduction in effort or cost compared to manual execution or your current RPA.

If we do not succeed in reducing the effort or costs by **50%**, you will receive the project for free. No risk, full transparency. What are you waiting for? We look forward to your challenge.

If you win your bet – We deliver the project for free!
